

PATRIOT

Dual Fold

Motels, hotels or resorts can be heavy on a family's budget. With this 6-berth camper, larger families can take glamping anywhere at a reasonable price. From a 210L combined water reserve, a fully equipped stainless steel kitchen, an entertainment system with speakers and HD ready TV to twin spare tyres and multiple ample storage compartments, the Patriot Dual is the largest hard floor camper trailer on the market. The club lounge lends itself to relaxing by night, protection from harsh weather conditions or expanded sleeping capacity.

If plenty of space and luxurious appointments are what you're after, then the Patriot Dual-fold camper trailer is the one you've been looking for. There's are two full double-sized beds with plush high density 80mm mattresses, so that no matter where your adventures take you, you'll be fresh and ready to take on the day, every day. A well thought-out design means the Dual-fold has plenty of storage space thanks to the internal drawers and under-seat storage areas, there really is a place for everything. Of course, the Patriot Dual-fold features internal LED lighting as standard, cig and USB sockets for powering your 12v devices and there is even a quality blue-tooth enabled stereo system so you can enjoy your favourite tunes all day long.
